

Faculty Position Professor

Department of Chemistry and Materials Science, Tokyo Institute of Technology

1. Position Title: Professor
2. Affiliation: Department of Chemistry and Materials Science (Chemical Transformations)
3. Research Field: Chemical Transformations (Electrochemistry, Catalytic chemistry, etc.)
4. Requirements:

Applicants must have doctor degree and should have expertise in the research field listed above and the teaching ability.
5. Expected Start Date: April 1, 2013 or the earliest possible date thereafter
6. Application Deadline: January 7, 2013.
7. Documents for the Application:
 - 1) A Curriculum vitae (after high school education, with a photo).
 - 2) A Publication list (doctoral thesis, original articles, proceedings, reviews and other relevant information. Mark articles with many citations.).
 - 3) Awards or prize received.
 - 4) Acquisition of external competitive funds (distinguish as a principal investigator and others).
 - 5) Reprints or copies of significant articles (five articles).
 - 6) Brief statement of research achievements (no more 4 pages in A4 sheet).
 - 7) Research plan (2 pages in A4 sheet).
 - 8) Educational carrier and plan (2 pages in A4 sheet).
 - 9) Contact addresses (name, affiliation and e-mail address) of four reference persons (two in Japan and two out of Japan).
8. Notes:

Applicants should send the application documents by registered postal mail or courier Service. On the envelope, write "Application Documents for the Professorship" in red. The documents are not returned.
9. Mailing Address for the Application:

Prof. Atsushi NISHIKATA
Department of Chemistry and Materials Science, Tokyo Institute of Technology,
O-okayama, 2-12-1 S8-12, Meguro-ku, Tokyo 152-8552, Japan.
